

Unpaid Internship Opportunity

COMMUNICATIONS & COMMUNITY ENGAGEMENT INTERN

The Kitsap County Internship Program provides college students from sophomore to senior year with immersive, hands-on experience in public service careers. This internship is ideal for students currently enrolled in planning, communications, GIS, or a related field!

- Gain experience in public-sector communications
- Assist with public outreach and community engagement
- Develop accessible digital stories and short-form videos
- Research topics and create clear, audience-focused content for websites, digital communications, and outreach materials
